

Jonathan Wu

*Managing Director
Area Head of Corporate Market Risk
Oversight of Rates, XVA, and FCM
Wells Fargo Bank*

Jonathan Wu is a Managing Director and Area Head of Market Risk Oversight for Rates, XVA, and FCM at Wells Fargo Bank. He is based in Charlotte, North Carolina.

Jonathan has been with Corporate Market Risk Oversight (CMRO) team in Wells Fargo since 2007. CMRO is responsible for monitoring and managing market risk at the corporate level. His team specifically measures and reports market risks on the rates trading, counterparty credit trading, and Futures Commercial Merchants LOB's and monitors the established limits & policies. In addition to his BAU risk management responsibilities, he currently chairs Market & Counterparty Risk IBOR Transition Working Group and collaborates closely with the firm's Libor Transition Office.

Prior to joining Wells Fargo, Jonathan worked for Bloomberg LLP developing Trading Systems for various capital market instruments. Prior to his Bloomberg experience, Jonathan worked for Bank of America. Jonathan is a certified Financial Risk Manager (FRM), a CFA charter holder, and a member of RMA.
